Graphic designer and motion creative based in San Diego. Specialising in brand identity, static and motion ad creatives, and product composites, with a background in Graphic Information Technology and a foundation in team leadership built across four years in high volume service environments.

EXPERIENCE

Founder & Creative Director

Maroun Designs

San Diego, CA
2026 – Present

- Founded and operate a premium Meta ad creative studio producing static and motion ad creatives for DTC fashion, skincare, and beauty brands.
- Build all creative deliverables end to end in Photoshop, After Effects, and Illustrator, from brief through final export.
- Developed a custom AI-powered outreach system to research target brands and produce personalised cold email campaigns.
- Manage all client communication, project scoping, contracts, and delivery on a retainer model.

Shift Supervisor

Starbucks

San Diego, CA
2023 – Present

- Supervised store operations and led barista teams during peak business hours.
- Managed cash flow, store procedures, and ensured team compliance with company policies.
- Resolved customer issues efficiently while upholding service quality standards.
- Trained new hires and monitored staff performance for consistency and efficiency.

Barista

Starbucks

San Diego, CA
2021 – 2023

- Accurately prepared customer drink orders in a timely manner during high traffic hours.
- Consistently delivered friendly service and built rapport with regular customers.
- Maintained cleanliness and organisation in a busy workspace.
- Supported supervisors with inventory and restocking tasks.
